TESTIMONIALS

Flawless Group Golf Trip – Already Planning the Next One!

Our group of 8 recently enjoyed an unforgettable golf trip to Barnbougle, all thanks to Gavin and The Pure Golfer. From the moment we started planning, every detail was taken care of — airport transfers, accommodation, restaurant bookings, tee times, and all logistics were flawlessly handled. We didn't have to worry about a thing. The courses at Barnbougle were absolutely world-class, and Gavin's organisation made the entire experience smooth, stress-free, and incredibly enjoyable. We were so impressed that we're already looking at Melbourne's Sandbelt for next year's booking, and we'll absolutely be going through Gavin again. 5 stars without hesitation. Highly recommend The Pure Golfer for anyone wanting a premium golf travel experience!

Gavin was instrumental in pulling together a bucket-list excursion to St. Andrew's. Having local knowledge and boots on the ground was so helpful when we needed extra assistance. The golf was incredible, the food amazing and our crew had been raving about it for weeks after. Thanks Gavin!
